Subject: Pebble - need 1 OGC rep to sign off for tonal edits
Importance: High

HI All - We are finalizing some quick tonal edits to the pebble letter in order to help facilitate discussions w/ leadership tomorrow. There is no substantial changes to the comments.

Since R10 is short staffed today, Marthea will be finalizing edits in redline today and sending them around. I have one OW staff person that will chop for the OW staff level. Could I get one person to agree to sign off for the OGC staff level quickly today?

We want to send this up through R10 RA to the leadership for the discussion tomorrow

If you need more background, you can give me a call on my cell: Ex. 6 Personal Privacy (PP)

Thanks!
Cindy
